FREESTYLE CRUISING

What exactly is "Freestyle Cruising"? Freestyle Cruising is the Norwegian Way of giving you the choice of how to spend your vacation. Apart from being a cruising vessel, the M/V Norwegian Spirit is also a floating resort. When you go to a resort on land, nobody tells you exactly when you can eat, where you can eat, & with whom you can eat. With Freestyle Cruising the choice is yours. We invite you to enjoy the relaxed dress code.

Every night of the cruise you can eat at a different restaurant. Our goal is to give you the variety that you deserve on your vacation. Not only do we offer you a wide variety of cuisine & places to dine, we also invite you to choose from a variety of excellent entertainment.

With all of these choices, the inevitable question arises. Whom do I tip? On a traditional cruise, you have one Waiter, one Busboy & one Maitre' D. This voyage you can have several different Service Staff Members catering to your every need. A ten-dollar per guest, per day gratuity is added to your Onboard Credit & this amount goes to the entire service team, including your Room Steward/ess, here on the Norwegian Spirit.

For your convenience, all shipboard expenses are charged to NCL's special onboard credit program. Sign up the first day of your cruise with a credit card, traveler's check or cash. If you choose to settle your account with cash, a deposit will be required in advance.
