## WELCOME TO JUNEAU

Located in southeast Alaska's Inside Passage, Juneau provides visitors with endless recreational opportunities. Here at the foot of Mount Roberts and Mount Juneau lies the door to the spectacular scenery that is Alaska.

The region offers world-class kayaking, dog sledding, rafting, hiking and mountain bike. An abundance of waterways makes this area perfect for water sports. Mendenhall River offers rafting, or kayaking on Mendenhall Lake at the foot of Mendenhall Glacier. The tramway takes visitors from downtown to the top of Mount Roberts to enjoy breathtaking vistas and numerous trails. A favorite trek in the area is Perseverance Trail. It takes you through the Silverbow Basin and along Gold Creek. And Mendenhall Glacier, only 13 miles from downtown, has 12 miles of trails of its own, just beckoning to be explored. Glaciers are one of the region's main attractions. Glacier Bay National Park is easily within reach. The park's more than three million acres give visitors an experience not soon to be forgotten. Travel from rain forest to glaciers. There are many ways to see this vast region of Alaska. Our shore excursions will allow you to set off via land, air, and/or sea in your quest to explore this region. One magnificent way to view the beauty of Alaska is from the air. Choose a helicopter flight, "Glacier Explorer: Pilots Choice" where you will land and walk on the wonderful glacier, or take a floatplane for a trip over the Juneau Ice Field. The ice field is a 1,500-square mile, starkly beautiful place where no animals live, ice rarely melts and each snowfall adds to the mass that feeds the regions massive glaciers. Another exciting option is glacier trekking, "Glacier Helicopter Super Trek" over the deep blue crevasses and hanging icefalls.

So many options for Juneau: ensure you book your excursions! For more information on Shore Excursions, check the Shore Excursion Desk located on Deck 8, Fwd, Stbd.

**BECAUSE WE CARE, NCL URGES YOU TO SANITIZE YOUR HANDS WHEN RETURNING TO THE VESSEL.**
