SKAGWAY:

GATEWAY TO THE KLONDIKE

Skagway lies at the head of the Lynn Canal, gateway to the Golden Interior. Also known as "Home to the North Wind", which many say blows so much, you will never breath the same air twice. Downtown Skagway is restored with old shop fronts and buildings and looks very much the same as it did in the 1890's when it was a gold rush boomtown. Apart from its gold rush past, Skagway offers other exciting opportunities. Venture off via helicopter for a glacier landing and then take a trip on the tracks of the famous narrow gauge "White Pass Railway". A 40-mile round-trip journey: No trip to Skagway is complete without it. You have the whole day to enjoy Skagway so take the opportunity to combine the tours you wish to and even visit two places at once with our excursions to Haines via ferry through the Lynn Canal, which lies in one of the most beautiful natural setting in Southeast Alaska. If you are a nature lover and you are looking for the opportunity to view wildlife, Haines is your best option. Excellent trips include "Glacier Point Wilderness Safari", "Eagle Preserve Wildlife Quest by Jet Boat" and the "Eagle Preserve Wildlife Float Adventure". As for Skagway, it remains a gold rush town today. Relive the Days of 1898 on the "Skagway Street Car" or become a prospector and try your hand at gold panning to see if you'll strike it rich at the "Klondike Gold Dredge", Horseback riding into Dyea Valley or along the Yukon are a few more of the many adventures available to you. There are many options and it may be difficult to decide on just one trip, so check out the combination tours available, like the Best of Skagway or the White Pass Train & Gold Dredge Combo. This is certainly a day you do not want to miss out, so be sure to book your excursions for a once in a life time journey! Enjoy Skagway & Haines. For more information on Shore Excursions, see your Shore Excursion Team, Deck 8, Fwd.

BECAUSE WE CARE, NCL URGES YOU TO SANITIZE YOUR HANDS WHEN RETURNING TO THE VESSEL.
