

WELCOME:

Norwegian Cruise Line enthusiastically welcomes families and children onboard our ships, and has designed a special program to make this cruise an enjoyable experience for the entire family. In order to give parents those needed moments alone and at the same time know that their children are not only safe but are having fun, the youth programs offer qualified staff and a variety of activities.

Everyday, children ages 2-12 can participate in complimentary activities designed especially for them. Don't think this is a baby-sitting program – there's very little sitting involved! Our activities are active, energetic, educational, and most important, fun. Kids will get involved in arts and crafts, trivias, sports, theme nights, games and parties – activities that will challenge both their imagination and determination.

PROGRAM REQUIREMENTS:

- Parents/Guardian must register the child who is 2-12 years of age, in order for them to participate in the morning, afternoon and evening programs.
- All parents/guardian must complete the registration form.
- Identification bracelets will be used at ALL times for ages 2-12. Bracelets are required for both the day and evening programs.
- NO child under age 13 may sign themselves out of the program and walk through the ship unattended.
- Older brothers and sisters (unless 21 years or older and who have signed the registration form) may not sign out a young family member, under the age of 13.
- Parents must present a means of identification that has a signature; the signature must match that of the registration form. When the Youth Counselor KNOWS the family member it is not necessary to check each time.
- Parents with children in diapers or pull-ups will be issued beepers in order to notify them when a change is necessary or the child requires attention.

SAFETY:

In the event of an emergency during the program hours, the Child Care Team is responsible for mustering the children in their care and bringing them safely to the Child Muster Station, where the children will be claimed by their parents. All unclaimed children will be taken to the Child Standby Muster Station then distributed to their assigned lifeboat station. The team will distribute children and infants life jackets and assist in their correct wearing.

INTERNET:

For your convenience we have 24 hour Internet Services available in the Internet Café. Here is where you can email, chat online with your friends at home, access your AOL account and surf the net. Basic Time Charge is .75 per minute or see the Internet Manager for the great plans we have to offer.

Parents: If you do not wish your child to have Internet access, please see the Internet Café Manager to de-activate his/her account.

PROGRAM POLICIES & SAFETY PROCEDURES

Welcome aboard to all children and parents! In order to participate, all children must be at least 2 years old prior to sailing and a completed registration form must be on file with the youth staff. All children under the age of 13 must signed in and out of program by a parent or guardian over the age of 21. Ages are determined as of the Sailing Date; there are no exceptions for children who are celebrating a birthday during the voyage. **Each child must remain in his/her own age group for activities for the duration of the cruise, there are no exceptions.** Parents with children in diapers or pull-ups will be issued a beeper should the child need to be changed or attended to. Youth Counselors **cannot** change diapers. To inquire about a lifejacket for your child, **please speak** to your room steward/stewardess. **In the event of an emergency** we will take all the children down to the Child Muster Station on the Promenade Deck, Deck number 7 at **Life Boat Assembly Station Z**, where parents may collect their child/children. If **Assembly Station Z** is not available, we will proceed to **Assembly Station W**. If the Abandon Ship Signal is heard and there are still children left, the Youth Staff will escort the child/children into his/her lifeboat. If you have any questions or concerns, please feel free to ask a member of the youth staff.

GROUP SITTING

The Norwegian Spirit offers a group sitting service. This service is provided by the Youth Counselors and is available in the late evenings as well as when we are in port (exact times are listed in the program). **This is not a scheduled program and sign ups are required.** Children must have a completed registration form on file to be signed up for this program. Activities are based on participants, and take place in Charlie's Child Care Centre with a member of the youth staff. If you do not bring your child within the first 15 minutes, it will be assumed that you do not require service. The price for this service is \$5 per hour, per child, with any additional children from the same immediate family for \$3 per hour. Private sitting in your cabin is NOT allowed.

SHIP'S RULES & REGULATIONS

- Please walk at all times
- Guests must be 18 years of age to be in the Casino
- Guests must be 18 years of age to be in the Celebrity Disco after 11:00pm
- Guests must be 13 years of age to be in the elevators without an adult
- Guests with children attending shows in the Moulin Rouge must sit 3 rows back
- Guests must be 16 years of age to be in the Fitness Center

YOUTH PROGRAM DISCIPLINE POLICY

These procedures will be in effect and strictly enforced to ensure a safe environment for all children that participate in our Youth Programs.

Step 1: WARNING

The child is addressed by the Youth Staff and it is explained that his or her behavior is unacceptable and needs to be corrected immediately.

Step 2: TIME OUT

If a child continues to act inappropriately or disobey the Youth Staff after having been warned about their behavior, they will then be issued a "Time Out" and the parents will be notified at Pick-Up Time.

Step 3: SUSPENSION

If a "Time Out" is not effective in eliminating the inappropriate behavior, the parents will be located and the child will be 'suspended' from all Youth Programs for 24 hours. The child is then welcome to return, but if there is any reservation on the part of the Youth Staff, a parent may be required to attend with the child.

Step 4: DISMISSAL

Once a child is allowed back after a suspension period, and if inappropriate behavior continues, the child will no longer be allowed to participate in the programs.

Thank you for sailing with us!
☺ Your Friendly Youth Staff ☺
