Nov. 19th – Nov. 28th
M/V Norwegian Spirit
9-Day Southern Caribbean

WELCOME:

Norwegian Cruise Line enthusiastically welcomes families and children onboard our ships, and has designed a special program to make this cruise an enjoyable experience for the entire family. In order to give parents those needed moments alone and at the same time know that their children are not only safe but are having fun, the youth programs offer qualified staff and a variety of activities.

Everyday, children ages 2-12 can participate in complimentary activities designed especially for them. Don't think this is a baby-sitting program – there's very little sitting involved! Our activities are active, energetic, educational, and most important, fun. Kids will get involved in arts and crafts, trivias, sports, theme nights, games and parties – activities that will challenge both their imagination and determination.

PROGRAM REQUIREMENTS:

- Parents/Guardian must register the child who is 2-12 years of age, in order for them to participate in the morning, afternoon and evening programs.
- All parents/guardian must complete the registration form.
- Identification bracelets will be used at ALL times for ages 2-12. Bracelets are required for both the day and evening programs.
- NO child under age 13 may sign themselves out of the program and walk through the ship unattended.
- Older brothers and sisters (unless 21 years or older and who have signed the registration form) may not sign out a young family member, under the age of 13.
- Parents must present a means of identification that has a signature; the signature must match that of the registration form. When the Youth Counselor KNOWS the family member it is not necessary to check each time.
- Parents with children in diapers or pull-ups will be issued beepers in order to notify them when a change is necessary or the child requires attention.

SAFETY:

In the event of an emergency during the program hours, the Child Care Team is responsible for mustering the children in their care and bringing them safely to the Child Muster Station, where the children will be claimed by their parents. All unclaimed children will be taken to the Child Standby Muster Station then distributed to their assigned lifeboat station. The team will distribute children and infants life jackets and assist in their correct wearing.

INTERNET:

For your convenience we have 24 hour Internet Services available in the Internet Café. Here is where you can email, chat online with your friends at home, access your AOL account and surf the net. Basic Time Charge is .75 per minute or see the Internet Manager for the great plans we have to offer.

Parents: *If you do not wish your child to have Internet access, please see the Internet Café Manager to de-activate his/her account.*
